I am. Well this is my last year here at this big school. I will miss it and even more miss it. That means you. I hope that at Samohi will be great next year. I also what's you to not cut classes any more. Your boyfriend or girl friend is not that important. Stay in school and learn. So let's show off. Please! For me. I know that if you really want to, you could be the smartest in the school. Don't forget the skills that God gave us. For him and for me. Don't call so pick up the phone a dial 828-7207. It might save your life.

Keisha,

It's been great having you as a French class buddy (when you show up). Have a killer summer full of gorgeous guys, raging parties, and sunny days at the beach (I know you will anyway).

Stay cool, maybe I'll see you next year in French. Love, Allie

P.S. I love you. You are so gentle. See ya at the beach (alleg d la plage)

Keisha,

Hey what's up? This year is almost over and that means no more comp! The school year goes by so fast actually, and I can't believe I only have a year to go through!

Well, I must to say I'm very thankful that I met you this year. You are so sweet and unique. Stay that way always. I don't know if we are having same classes together but keep in touch with me anyway. Have a great summer and

Keisha-

Well, schools finally coming to an end. Only a wk. & then our senior year, which will be so much fun. I hope you pass all of your classes with all the time you missed. I wish you wouldn't of been in accounting more so we could of had mass humor. The Cycle Center was fun. but very confusing. I hope we have a class together next year, & hopefully you will be there more often. We've known each other for so long. I remember when we played softball together. So much has changed since then. The times we've spent together & talked have made us even better friends. Well, kiddo I want to see you around so
I ♡ U & I want to see you around so

I'm fine. well, the year started out really good for me and for you too! hope we were friends (good friends many I add) until unfortunately events took over our friendship ship, but what we used to have I'll always cherish. maybe ~~that~~ friendship will flourish this summer when we have more time & get to call me real soon. *459-2143* & me always,

Each individual becomes a part of the continuous wave of students at Samohi, experiencing its highs and lows. The wave builds to its maximum size before the final moments of crashing and returning to the sea to form yet another wave. Likewise, seniors reach their fullest potential as they near graduation and become the wave of the future.

It's the dream afraid of waking
that never takes a chance.
It's the one who won't be taken
who cannot seem to give.

Uninvited

And the soul afraid of dying
that never learns to live.

It's not time to make a change,
just relax, take it easy.
...it's not easy to be calm
when you've found something going on.

Synchronicity

But take your time, think a lot,
think of everything you've got
for you will still be here tomorrow,
but your dreams may not.

Sometimes in our lives, we all have
pain,
we all have sorrow.
But if we are wise

we know that there's always tomorrow.
Lean on me, when you're not strong,
and I'll be your friend, I'll help you carry
on.

Girl, we didn't have any classes together, but the times that we did see each other were "humor." We will have to get together more often this summer so we can ~~gosh~~ and yes I am sitting here waiting for you to get your nails done! and I just thought I'd tell you that I'm never ever going up to Westchester to see Charles's butt that niga got big-time nerve! Pretty soon I'm just gonna say "fuck a Charles" and get me a niga that'll do me up!

well homey, I'll talk to you later.

K.I.T
828-8136

P.S. ↙

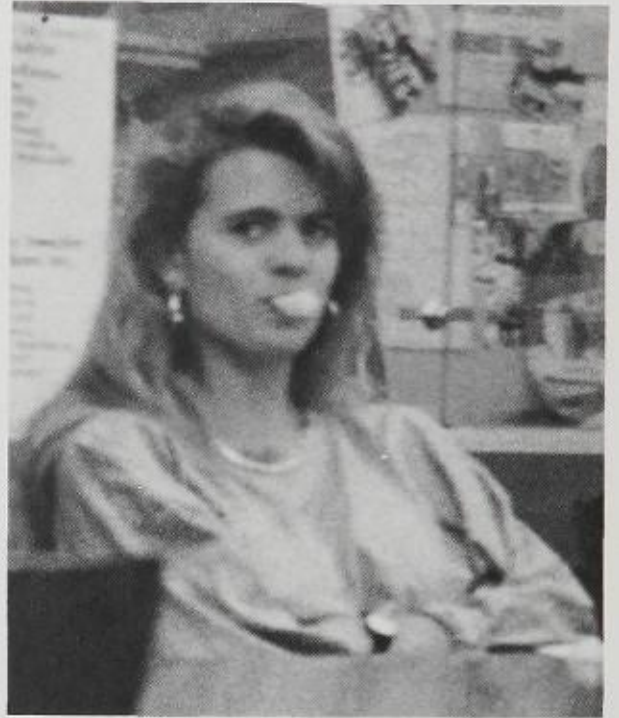

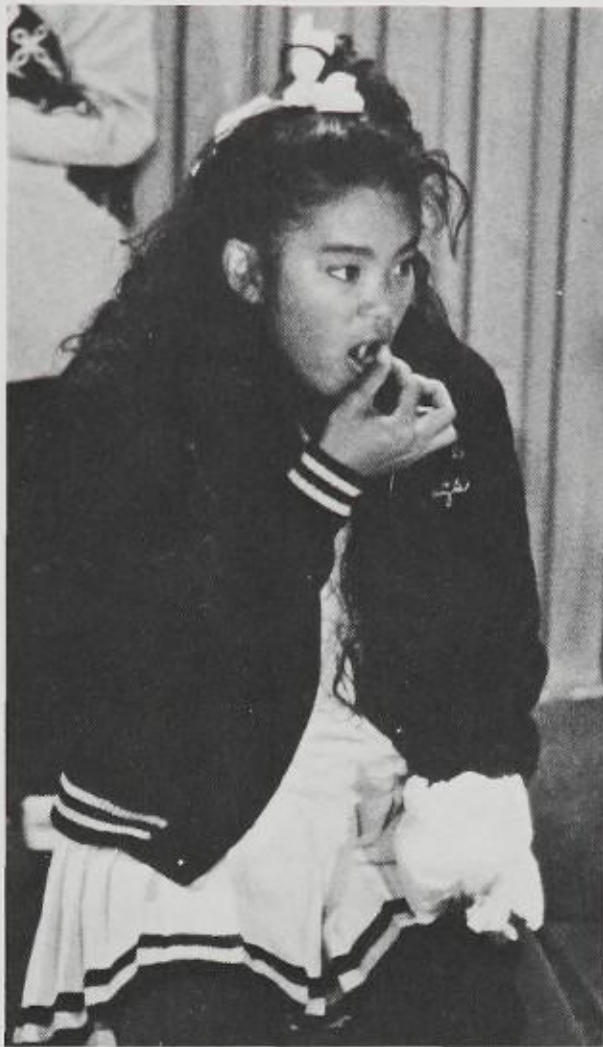

and you better call me this summer so we can have another day of riding the buses!

Love Always,
NIKKI

ASB

To Samohi's Student Body-

Samohi is a very special place to each and every one of us, and, speaking for the entire student government, we are glad that we had the opportunity to serve its student body.

ASB has tried to make a positive influence on Samohi and its student body. Specifically, we have started to improve communication between students, teachers, administrators, and Board members. We have also tried to make student life as exciting as possible by sponsoring activities like club day, the homecoming pep rally and half-time, and our Spring Fest. We have also tried to facilitate the addition of the freshman class to the student body. It has been a truly exciting year!

Best wishes to next year's student government and student body, and three cheers for the class of '88!

ABSORBING THE GRAND TRADITION

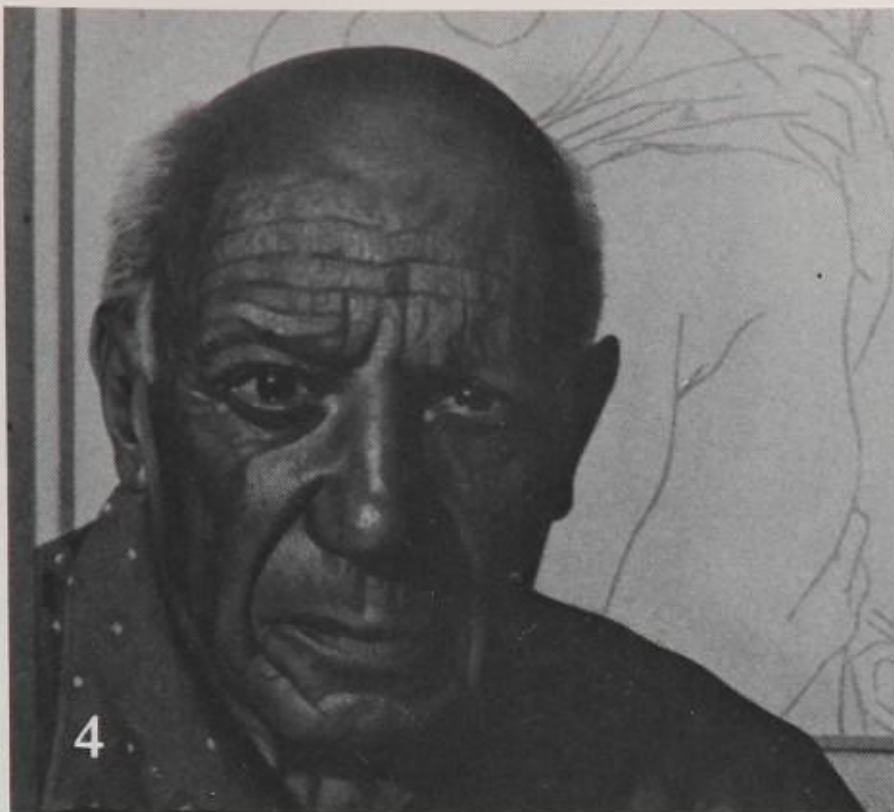

The provocatively titled exhibition "Absorbing the Grand Tradition" (February 4 thru February 25) assembles the work of five artists in the Roberts Art Gallery. Choosing to emphasize innovation and changing perception as a theme, the artists Junko Chodo, Seta Injeyan, Jeff Laudenslager, Eric Scott, and La Monte Westmoreland, have defined the essence of modernity in art. The works of Jeff Laudenslager have radically redefined the concept of what a "sculpture" is. The collages and paintings show the expressionistic works of Junko Chodo, Seta Injeyan, La Monte Westmoreland, and Eric Scott.

The 1987 Vikings, with five returning starters and a host of new young faces, opened the season on the road against St. Paul of Santa Fe Springs. The Swordsmen took the opening kickoff and promptly marched to the Samohi ten yard line ... but on 1st and goal, Nelson blitzed, stripped and recovered the ball, to give the Vikings their first possession. Perhaps a foreshadowing of things to come, Milburn slashed over left tackle and raced 90 yards for a touchdown on the first offensive play of the year. A tenacious defense led by Satriano and Nelson, Milburn's 241 yards and three touchdowns, and Belmonte's 80 yard kickoff return enabled the Vikes to leave the "pit" with a 26-0 victory.

Palisades and the Rotary Bowl provided the second challenge. Trailing 30-7 in the second quarter, Samohi began one of the greatest rallies in its 91 year football history. Some timely receptions, Macko to Nelson, cut the score to 30-13 at the half. A revised defense, excellent blocking and Milburn's 5 touchdowns powered the Vikings to a 48-42 victory in one of the most exciting games seen on the Westside in recent years.

Outstanding defense — Satriano (12 tackles, 3 sacks), LaBrie (9 tackles, 2 interceptions), Roditis, Prabhu, and McIntyre — and Milburn's 282 yards on 30 carries for four touchdowns, and a Pringle field goal gave Samohi a 31-10 victory over the Raiders of Rowland High School in game three.

Any questions about the Vikings' young offensive line were to be answered in the final pre-league game of the season. Edison High of Huntington Beach, a perennial Big-5 power, was the challenge. Kelly, Wagner, Ziegler, Loysen, Banducci and Blinn were magnificent ... enabling Milburn to rush for a new school record — 382 yards — and 5 touchdowns on runs of 10, 42, 50, and 70 yards. Defensively, Samohi recorded 4 sacks, and 4 interceptions (Nelson, Harvey, and LaBrie 2).

The Vikings began defense of their Ocean League title with a 54-14 victory over Inglewood. Once again, good blocking, Milburn runs (256 yards and 4 touchdowns), and strong defense provided the difference.

Culver City, playing hard, also fell to the Vikes 49-22. Milburn broke open a 14-8 game late in the first half with an 87 yard touchdown run, and then added two more early in the second half to put the game out of reach. The Vikings recorded a game-high 9 sacks, with 5 additional tackles for losses. Prabhu, Roditis, Black, and Harvey had outstanding games on defense. Nelson continued his excellent play on both sides of the ball ... scoring a touchdown and providing crisp blocks and tackles.

Facing the toughest defense of the season, Milburn worked 36 times against Mira Costa for 209 yards and 3 touchdowns. Macko completed 4 of 6 for 76 yards and 1 touchdown to Nelson. That was all the Vikes needed as a stingy defense led by linebackers Satriano (18 tackles, including 3 sacks and 2 behind the line of scrimmage) and Prabhu (13 tackles, including 3 sacks and 2 behind the line of scrimmage) limited the Mustangs to 3 points.

The big "TV" showdown with Beverly Hills for a share of the league title was all that it was billed to be. Not even a sloppy, muddy turf could mar the excitement and intensity that was generated on the field. The Normans broke on top 12-0 with some good running by Crawford. Milburn responded with a spectacular 98 yard kickoff return for a T.D. ... only to have it nullified by a penalty. Some timely passes — Macko to Nelson — excellent running by Milburn — and then a quick pass to Blinn for the T.D. sent the Vikes into the locker trailing only 7-12 at halftime. When play resumed, Ziegler, Kelly, Loysen, and Co. began an assault on the Norman front. Milburn found the seams and battled for 212 yards, scoring the go ahead T.D. behind a "crushing" block by Black. The Vikings showed tremendous determination on defense in keeping Beverly out of the end zone, and Pringle added all 3 extra points to make the final score 21-12.

Hawthorne provided the competition in the final week of the season. Looking for a share of the league title, The Cougars, led by Curtis Conway, played their best game of the year. The Vikes, with Nelson on the sideline, suffered their first loss of the season, 26-42. Although Milburn ran for 248 yards and scored 3 times, the Vikes had to settle for a share of the Ocean League Title with Hawthorne and Beverly Hills.

The 1987-88 Boys Varsity Cross Country team had an exceptional season. With most of the team returning from last year, the Harriers dominated the Ocean League with a 5-0 win-loss record and captured a league championship for the first time in years.

Seniors Rolando Reyes and Martin Burton proved to be a deadly one-two punch against the opposition as they took first and second places respectively in the League Finals. Outstanding performances by seniors Bob Evans and Warren Stern, and sophomore Jim Fitts contributed to Samohi's tremendous success. Although five varsity runners are graduating this year, the teams remain to have a promising future in Fitts, juniors John Lopez and David Reyes, sophomores Dan Fisher and Chris Starr, and freshman Francisco Avila.

On the girl's side, junior Laura McIndoe once again led the girls varsity team to a much improved season. The team size gets much credit for the team's improvement which doubled from last year's. With only seniors Bridgette Robinson and Alison Gimenez leaving the team, next year looks very promising to this young team. Samohi will be re-leagued to the very competitive Bay League next year. Again, congratulations on the great season.

The Girls' Soccer Team had their first winning season this year (4-3-1), continuing on to CIF competition for the first time in the history of girls' soccer at Samo! Hugh's skillful coaching, Judy's never ending support, and Heather's helpful organization provided the basis for our success. Tryouts this year were very competitive with over 80 girls trying for positions on the teams. We created a very strong varsity which, after a slow start in the first two league games, allowed just one goal for the rest of the season.

The hard work and dedication of our goalies, Allison and Yvonne, often kept us in the game and contributed to five league shutouts.

Nicole, Laura, and Kellie created a very tight and spirited defense, and Melissa was always ready to make the play at sweeper (Love those free kick goals! — N). Dawn, Stephanie, and Paige provided needed help when our regular starters were having trouble.

As the season progressed, our midfielders showed the greatest improvement. Jenny consistently won balls in the air, Shannon whisked the ball down the line, Audra created plays with her accurate passes, and Coco always made things happen with her strong efforts.

Because of our team's lineup, we only had two forwards up front. Despite their small number, our forwards Liz, Kim, Brigitte, Stacy, Kristie, and Rhonda scored when we really needed it. Returnees Liz, Kim, Brigitte, Stacy, and Kari (who suffered an injury this season) are sure to be a formidable force next year.

Thanks to all the Varsity team members for a terrific season. We have finally created a reputation that our program deserves. Never again will the girls' soccer team be laughed at or not taken seriously. We played tough in every game and it has payed off. Here's to a continued tradition!!

LOVE,

Melissa and Nicole

Samohi's Boys Varsity soccer team enjoyed a record breaking season in 1988. From front to back, Samohi's kickers new records or tied old ones. Samo scored 83 goals to break the old mark of 57. Samo also tied the record for fewest goals allowed in a season with 15, this time in 27 games instead of 23. In the process, Samo became the top offensive and defensive league team in CIF by scoring 54 goals and only giving up 3. Such domination of the Ocean League earned All-League honors for forwards Javier Becerra, Scott Fite, and Nery Benavidez; midfielders Brian Bottoms, David Gamelin, and Matt Pringle; and goalkeeper Eric Resnick. Darren Burris and Ty Miller were selected as the offensive and defensive players-of-the-year respectively.

The Vikings enjoyed a good pre-season also as they were champions of the South Bay Tournament and consolation champions of the South Holiday Tournament. After romping through the Ocean League, Samo entered the CIF Playoffs as the fourth ranked team. Following an impressive win over Santa Barbara and a well-played game at Simi Valley, the Vikings exited the playoffs after a controversial penalty kick contest.

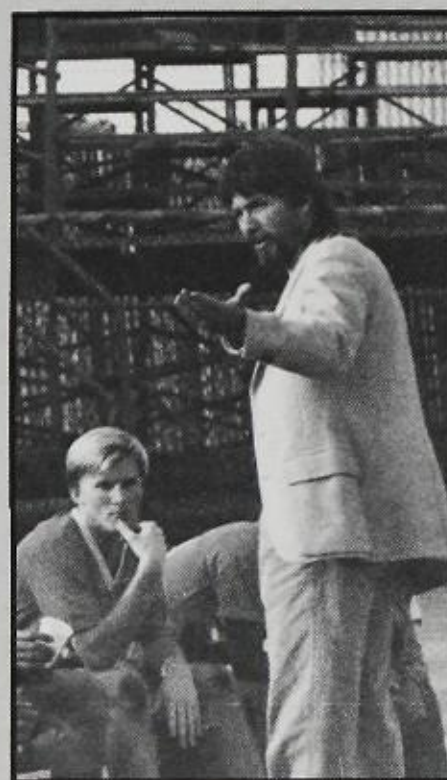

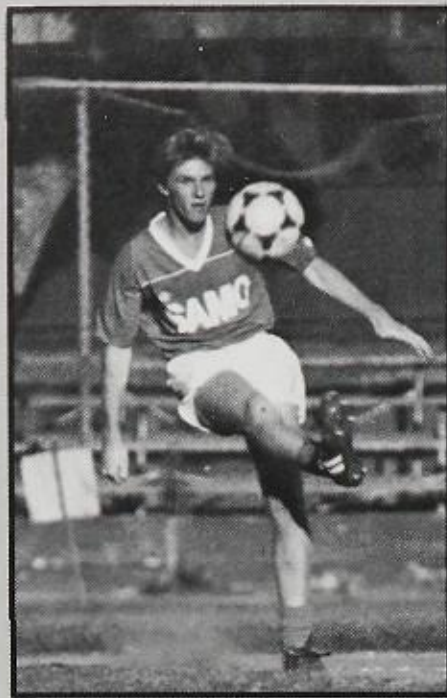

The Southern California High School Soccer Coaches Association recognized Samo's outstanding season and rewarded them by naming five players to the All-CIF teams. Darren Burris, and Ty Miller were selected to the first team and Javier Becerra, Scott Fite, and Eric Resnick to the second team.

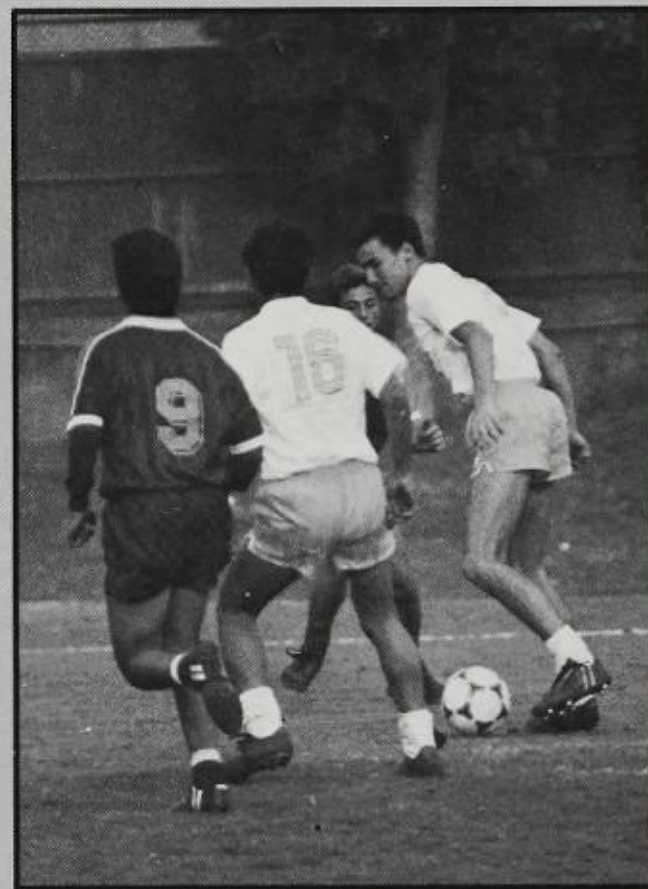

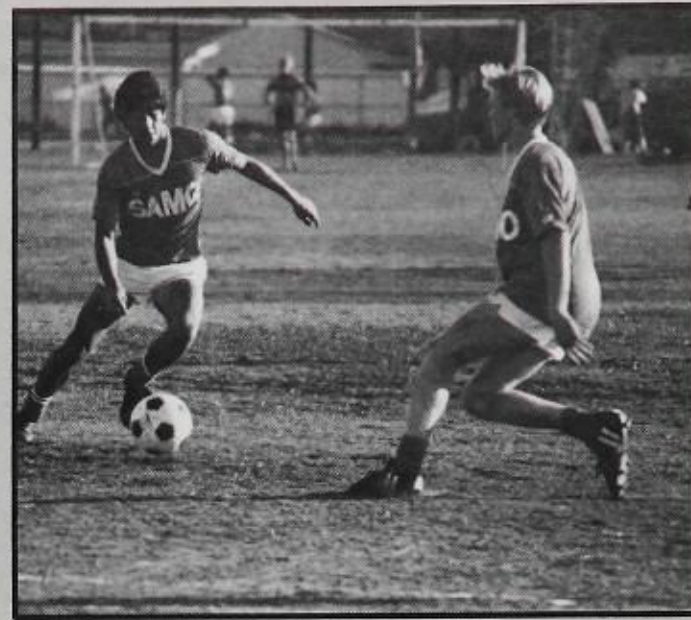

Other records tied or broken were: most shutouts in one season (14), most shutout in league (7); most wins in league (10); most ties (6); fewest losses in a season (2) fewest losses in league (0); most assists in a season (20 by Ty Miller); most assists in a career (22 by Javier Becerra); most consecutive games scoring a goal (13 by Darren Burris); fewest goals allowed in league (3).

In the process of its most impressive season, Samohi presented Coach Jose Lopez with his 200th win in a 7-0 victory over Culver City.

At the end of the season, the Samohi wrestlers had wrestled to a 3rd place finish in the Ocean League. Senior Dan Greene and juniors Dan Wagner and Greg Jackson became Ocean League champions. In all, six wrestlers went on to compete in the CIF 2A finals. Greg Jackson was the only wrestler to win his weight, advancing to Southern Section Masters. A strong 3rd place there qualified him for the State Finals. At Stockton, Greg Jackson won six matches and had one loss in the 142 pounds weight class. This effort placed him 3rd in the California State Finals.

Dear Kath,

You have brought us joy and happiness for the past 17 years (except when you forget to feed Bowie). Your music makes us warm all over (except when you're playing *The Smiths*). And, your work at school makes us proud (except when you screw up).

But one thing always makes us glow - your smile. Because, behind it is a love of people and a love of life which is worth more than anything else in this world.

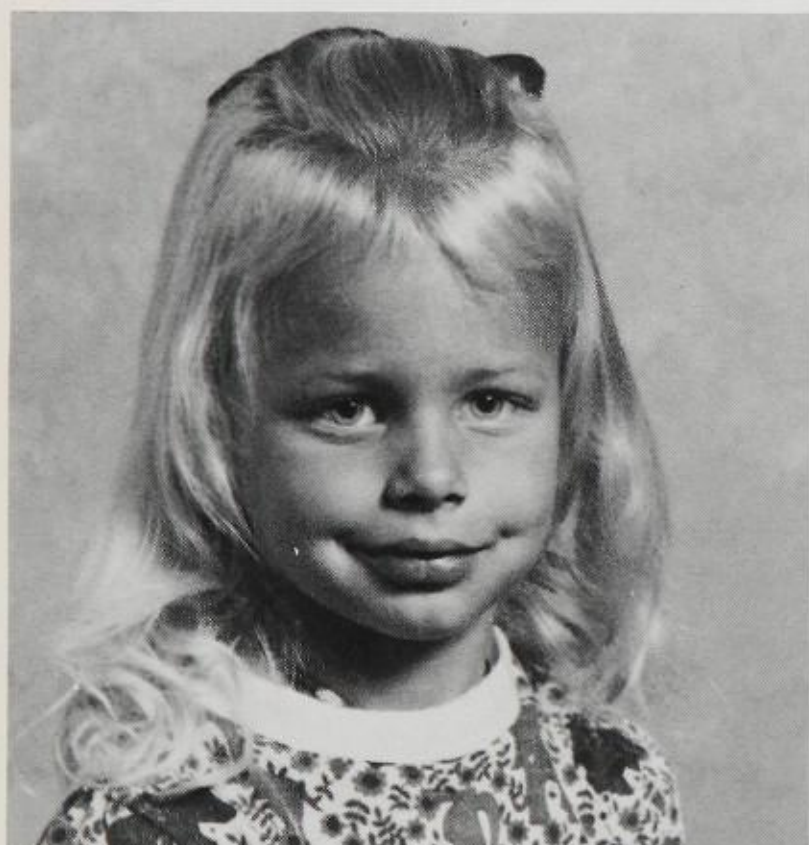

It is your great spirit that makes you special. We know it will be a light to many over the years, and we don't ever want you to lose it.

We love you, Kath, and hope you have great success in all you wish to do.

ALLISON, MEHERA, LINDA

We were born to be friends,
the two of us.
Growing up with each other
for the past five years.
Our friendship has become
better and stronger
Even through all the pain and tears.

I wasn't sure if someone
could be added
to a relationship as close as
ours was.
An addition I thought would
be a little crowded,
for a three-some never
works ... just because.

As I know already, this theory
is not always true.
Just look at us and remember,
a three-some is never crowded
When they say that'll love you
forever.

Allison, Mehera, and all my
other friends,
I want to tell you especially,
that when we all depart
next year
I'll never forget our
memories.

And now I say goodbye
to you and all my friends,
Who have shared these years
and times with me—
till the very end.

-Linda

Mom and Dad - To the most wonderful parents a girl could ever have. You were always there for me when I had my downs and there to hold up my happy times. I love you both so very much!

My Sisters and Brother - Colleen, Julie, Carol, and Steve, can you believe it, the baby is graduating? You guys are the best! Through all the picking on, annoying, bugging, and teasing I've made it, and I've loved it all! I love you guys!

Katherine - To my best friend, you mean the world to me! I've missed you so much this past year while you were in Denmark. But I hope you will remember everything about it, like we have remembered our past 18 years. I love you!

Sara - You are the best! No matter where we are, what the mood is or who's around we will always have fun together! I could go on forever about the fun things we have done but there is a limit. Just remember our dream and stick with it forever and that's what we'll be... together forever! I love you Sara, remember baseball is #1!!

Scott - Simply, I love you!

Jennifer - To my best buddy ever. If I ever need a shoulder to lean on, or someone to laugh with, you're the one that's always around, thanks! Remember Mr. Rogers lives, hee hee!! I love you lots!

Kyle - Your one of a kind. I don't know where you get some of the things you say, but you say them anyway. I love that! You deserve the best Kyle, Good Luck! I love you.

Amy - I'm so happy you came to Samo this year! You're a real sweetheart, don't ever change! I love you.

Sean - Your the perfect friend, you always know when to make me laugh and when to leave me alone. I hope we can stay friends forever! Love you.

To the both of my parents, I thank you for giving me the two most important gifts, one of these is roots and the other wings. Mom, you have been my best friend throughout my life, I am proud and lucky to have such an understanding, openminded mother as you.

Daddy, I thank you for being the most caring father in the world. I cherish the love and guidance you have spoiled me with.

Heather, I am so glad we met in the seventh grade, since then we have one of the best friendships I could ever want or need in my life. Each other forever, YOU AND ME BABY.

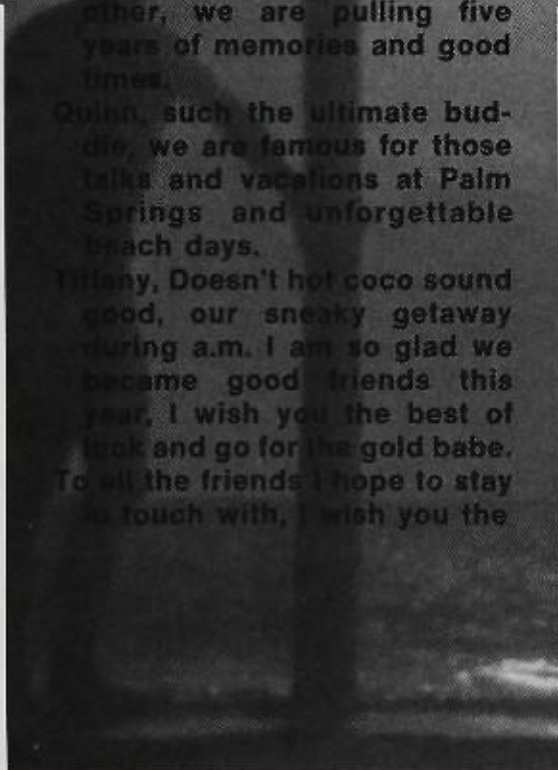

Karen, Some of my best laughs have been with you. Our inseperable summer of 86 was so fun. You will always hold a special place in my heart. You Heath and I will be friends forever.

Shannon and Vickory, The three of us have had unforgettable times at Chet and in good ol SM. From K-38 groupies to partying passout. *In the beginning when it all began,
 We decided to support each other hand and
 hand,
 Through the laughter of the years,
 Many trials and tribulations we have withstood,
 Just like any family would,
 Now the time has come for our year to be
 great,
 Beacuse we are the class of '88,
 Just because we are leaving Samohi,
 There's no reason we must say good-bye,

Friend

One who knows when to leave you alone
 one who stays when the truth is known,
 One who gives for no reason at all
 the one you hang onto after you fall,
 One who lets you laugh and cry
 one who gives you things you can't buy,
 One who accepts you as wiseman and fool
 and lets you live by your own rules,
 One who allows you to always 'let go'
 and doesn't need to see you 'show,'
 One whose arm you'd hold on a cliff
 one whose words you don't have to sift,
 Simply a person who's always there
 with words or silence, love and care,
 The one who stays way past the end
 is the one you can always call—

Your friend.

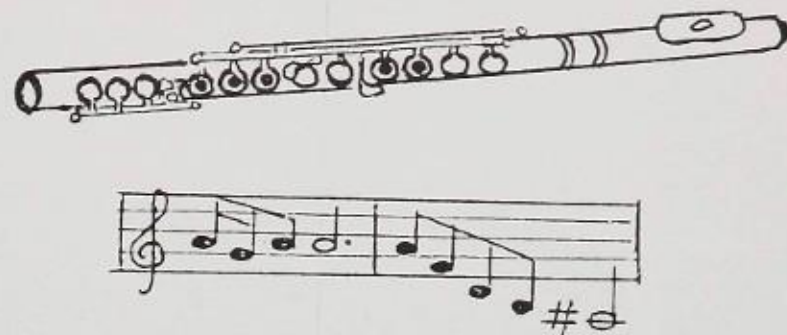

On the Fear of Death

Let me not pray to be sheltered from
 dangers but to be fearless in facing them.
 Let me not beg for the stilling of
 my pain but for the heart to conquer it.
 Let me not look for allies in life's
 battlefield but to my own strength.
 Let me not crave in anxious fear to
 be saved but hope for the patience to
 win my freedom.
 Grant me that I may not be a
 coward, feeling your mercy in my
 success alone; but let me find the grasp
 of your hand in my failure.

FRIENDS FOREVER

CONGRATULATIONS, MATT! WE LOVE YOU! MOM, POP, NINA.

DAN: I've never met anyone funnier than me...

...I still haven't!

MARK: You helped me out when I needed it most.

Thanks Jolt! ㄱ ㄴ ㄷ !

LISA L.: There were times when survival was unheard of unless I could have you on the other end of the phone. Thanks Lisa. I Love You!

LISA B.: It's been a roller coaster, but worth the "E TICKET"!

JANNINE: Who said good things don't come in small packages? I Love You, Jannine!

MOM: If all else failed, you were always there. Along with all of my friends that you've charmed into loving you, I also love you with deep gratitude. Thank you, mommy! I love you!

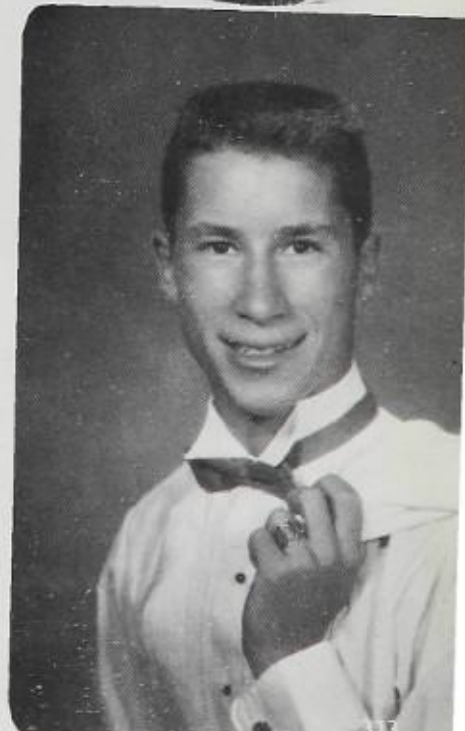

ZEN: What can I say? You're beyond a friend. There have been so many memories with you, Zen: Jazz Band, sleeping on the beach, A.T.C.ing, double dates, Bornsquaggle the seal, Rod Stewart's deck, frozen strawberries, skateboarding concussions, cruising in a Pacer, fanfares in Westwood, camping, Washington D.C., Hamlet, French, Mr. Dunne, Big Bear, skiing, Stairway to the Stars, T.O.C., Deputy Drum Majors, Whales, Sawaya, Band, Orchestra, friendship, brotherhood, love. I love you, Zen...A-Z WORD OF HONOR!

KATHY, MARK, CHRIS, ABIGALE AND SKEEZY: God bless all of you for the diet cokes, Penguin's Yogurt, dog hair on my sweats, chinese food, but most importantly for the warmth, the affection and the love that you have blessed my life with!

I Love You all, emmensely! Thank You.

MELISSA. No-one would ever think that a senior and a sophomore could become so close, but I guess those thinkers never met you! I've never become so close in so short a time to anybody until you came along. You're beautiful, funny, honest, entertaining, and the best friend that a senior could have. I'll miss you most of all, Melissa. You're god's gift to my life! You're one in a billion! I truly love you with all of my heart!

FRIENDS, FAMILY, CLASSMATES: The easiest, most memorable time of my life has come to an end and now separation breaks into the bonds of happiness that I share with many of you. In all my experiences here at Samohi, I have not only learned the studies of Math, English, Science, History and Language, but also other lessons not taught in a classroom... I've learned to love, to hate, to survive, to follow, to lead and to become! I wish everyone happiness and warmth in the future! I will never be ashamed to tell the world where I went to school!

"I see children as kites. You spend a lifetime trying to get them off the ground. You run with them until you're both breathless — they crash . . . you add a longer tail . . . they hit the rooftop . . . you pluck them out of the spout . . . you patch and comfort, adjust and teach. You watch them lifted by the wind and assure them that SOMEDAY they'll fly.

Finally, they are airborne, but they need more string, and you keep letting it out, and with each twist of the ball of twine, there is a sadness that goes with the job because the kite becomes more distant and somehow you know that it won't be long before that beautiful creature will snap the lifeline that bound you together and soar as it was meant to soar . . . free and alone.

Only then do you know that you did your job."

Our friendship is very special-
 It's because we care enough about each other.
 We know things may change
 But we'll always be together.
 Even if there is a separation
 In our hearts we'll always stay together.
 We will always care, love, and share together.
 There is nothing we wouldn't do for each other
 No time is wasted for one another.
 This is something-the one thing
 No one else can ever have.
 This is ours to enjoy, to share, and to remember.
 We know that no one can ever take that away from us.
 The joy, heartbreaks, the happiness, the sadness,
 The tears, the laughter, the problems, and complications,
 And of course the fights
 But through it all, and there has been a lot,
 We have remained as close as ever.
 Always staying by each other
 And always friends forever!
 The love we share has the ability to overcome
 Any problem we face
 Forever and ever and always!!

BRENDA, CECILIA, EVIE, & ELNA - Together for 17 yrs. and never a dull moment. Couldn't have made it through those 'holidays' without each other. Remember that rice bowl haircuts and the three caballeros will always be in style.

JOY, NINA, ULRIKE, JEN, MILA, PATTY, WES, DAN, MAT, SANG, & JOON - Even though we are apart now, you'll always have a special place in my heart. All power to you.

TANIA - We've been through alot of good times and some bad but we've managed to stay the best of friends. I survived your driving and you with my constant complaining. Sleepovers, concerts, crusing, 'what's-his-face', and Pilot Pen ... Keep the memories coming! Watch out world we're coming to invade.

JOY - G'day mate! Ain't been a bloody hell of a time? Don't s'pose ya'll agree. Just loafing with ya 'as been a beaut, love. 'Ave a fair go at life. So long. Be seein' ya.

BUFFY, ATCHIE, TINE, & ANGIE - Remember, somewhere, out there, lurks a "grinder" just for you. I'm outta here. Ha!

JO - You're the best fake filipino, faternal twin, & tennis partner anyone can have. Keep working on that PIZZA diet. I swear, Richard Simmons will want it some day!

MIRA - I promise never to lock my keys in my car, nearly kill my passengers on Sunset, yell out the window on Melrose, make a mess of ED's, get lost in Hollywood, & drive long distance for yogurt all in one rainy night.

TERESA - It's been three years and you haven't killed me ... YET! Keep the Indian Wells tradition alive. After all, you might find a husband there. And remember, Stefan is not, I repeat, NOT GOD! BREW - Finally out in the big, blue world! Dirty laundry, working, take out food, independence ... I rather stay home where everything is free, home!

THOSE "GROUP" GATHERING PEOPLE - Go find someone else to drive you lazy people around, you bums! Anyways you all have been a blast the past year, even though most of you are underclassmen. Live & let live. Revenge & T.P. all the way!!!

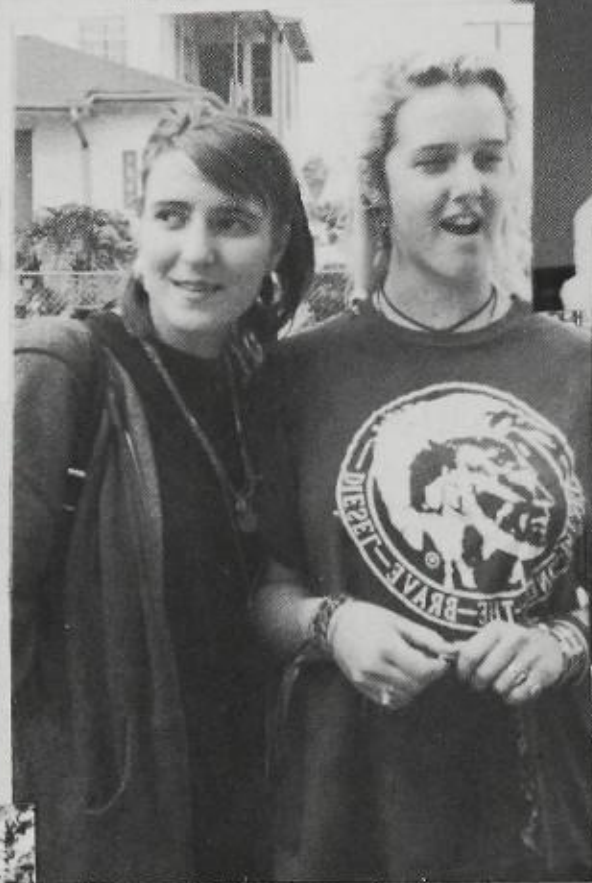

MOM & DAD - You both are the most important people in my life. Without your support, I wouldn't have accomplished anything. I love the both of you very much.

We've made it through three years of mud, sweat, rehearsals, in the dark, those great sandwiches, and what about those "comfortable buses"? Thank you, seniors of band. It's been an experience.

Anyone and everyone I missed, I thank you all. Good Luck and strive for all you want to achieve. Congrats '88!

Our Dream of a Lifetime...is someplace close to heaven. There is a fire in our hearts that feels like a hunger. The spirit is burning, consumed by the flame. We reach to go farther than ever before. Thru our eyes our soul can be seen when we gather together to face one another; we gather in silence to make our goal one. We gather in love to go for the gold and beyond.

"Friends"

Friends forever, that's how it will be
 Remember the sunrise we tried to see?
 In love with Rick Springfield but him I despise
 Eating onion rings and ketchup fries
 Never shutting up, and Movin' Right Along
 Dancing down the street to our favorite Moon song
 Secrets that we can never tell
 How about the junk we tried to sell?
 Inventing AndyMan, or your name Lenny
 Phew! Why isn't it many?
 Freaking out from the coyotes in the dark
 Or in the bathroom at Malibu Park
 Remember the food webs and Diet Coke?
 Even the forts we made were a joke
 Very loud poker that lasted all night
 Eating Sugar Babies that tasted so right
 Remember —
 Adoring a guy we didn't know
 Not at the racetrack; where did he go?
 Don't forget Justine and the Tiredman's tow
 Finding shakes makes roadtrippin' fun
 Or being my SBF, my only one
 Remember —
 And Strawberries 'n Cream: my one romance
 Lying in a bush with pee in your pants
 What about shoveling, hour after hour
 A honk outside: gotta get in the shower
 Yelling Pico and Sepulveda after the play
 Special friends I love; what's left to say?

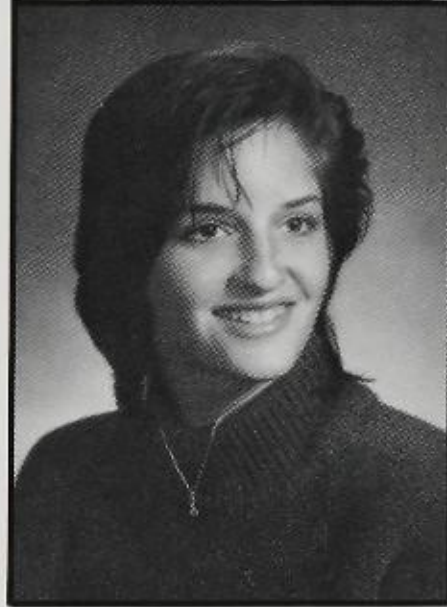

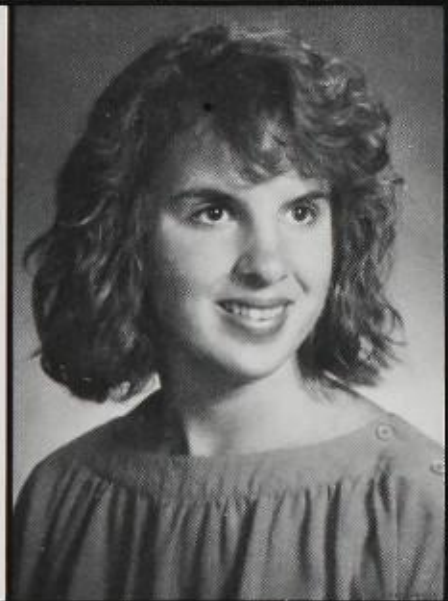

Mom and Dad:
 I couldn't have made it without you. Thanks for everything! Love
 always, Brigitte

But together or apart,
I know that I've found in you
the lifetime friend I have
always wished for . . .

LARISA

We have had our differences, but have still remained friends for 17 years, and I'm sure we will stay friends forever! Remember: Who's taller? We're twins but you're two minutes older. Go away, go away!!!! Mr. Potato Head from hell! We have so many memories: Wildwood (Pus pot. Yuck!!) cotillion (The guy in grey) Las Vegas! (Broil yourselves by the pool!!) Even though you are graduating, I'm sure we will always keep in touch.

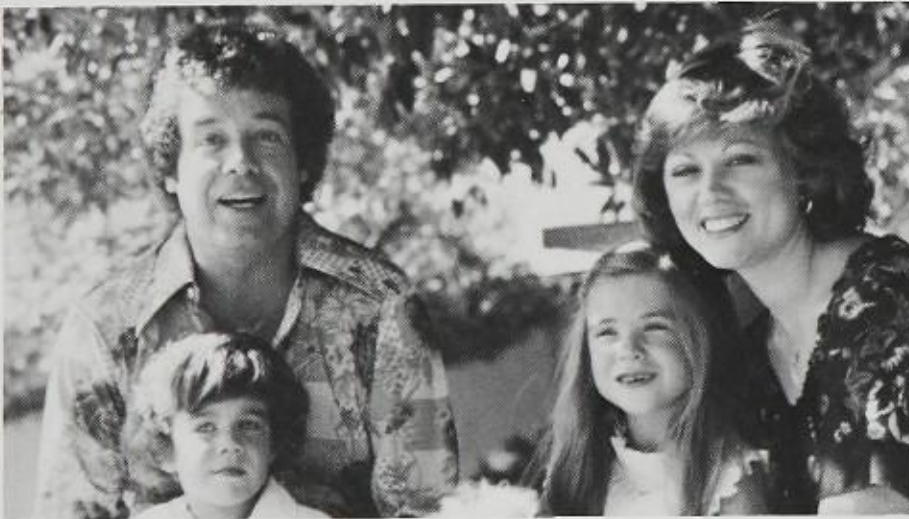

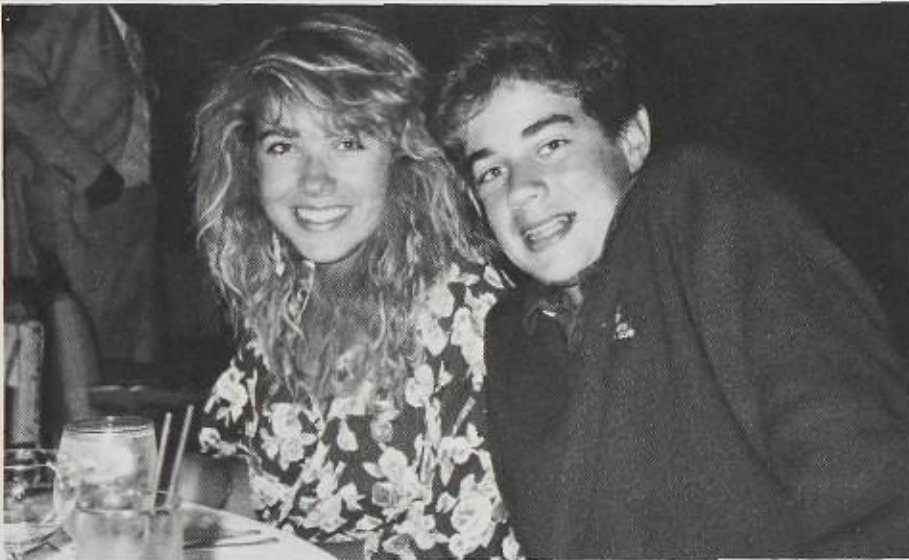

LOVE- your friend forever Diane.

LARISA-

HEY!! It's been a long time. We've definitely had our ups & downs, but we've always worked things out. Remember Europe???? SIN SIGN EDIBES Always!!!!
LOVE, Lisa.

CONGRATULATIONS!!

ANNA - I think the best part about Homecoming was that it gave us a chance to become closer. You will always be my number one beach buddie. And when you play "Nowhere Girl" real loud and stare at the ceiling, think of me.

AVA - You are by far the most beautiful of all my friends -inside and out. Here's to beachchairs on the glassed-off shore on a late-afternooned summer day.

LYNN - (Goddess) All I'm going to say is that I will never be able to let the icepick go completely. To hell with the iguanas.

TESSA - (owl) After all we have been through, my destructing selfishness to the best times of my life. And through it all you never stopped caring. I am so glad that after our first go-around in ninth grade and then our time apart, we went for a friendship again and it was even more special. You have redefined the term, "best-friend"

DAD - You came into my life when I needed a father-figure. You never believed that since you didn't hold me as a baby, you could not be a real father. When I accept my diploma, you are one of the three contributing forces. Thank you so, so much.

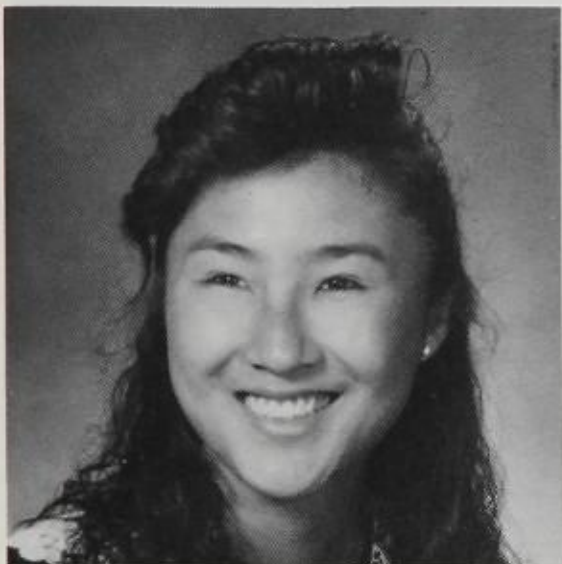

CAKES - Hey bro. Take care of the family while I'm away. You are a pretty cool guy, for a brother and all - maybe even the best brother around (although Peanut runs a close second) Kick butt in the rest of your school years and don't break too many hearts!

MOM - You are the strongest human being I have ever known. I remember times when at some heated moment you said that one day I would look back and say, "Hey you were right! You were only looking out for me!" I see that now. You let me free enough to learn. You have prepared me to achieve success. You are a wonderful mother and I'm so glad you are mine.

Daddy - I hope that when you look down from the sky, you are proud of what you see.

*I love you all,
Quinn*

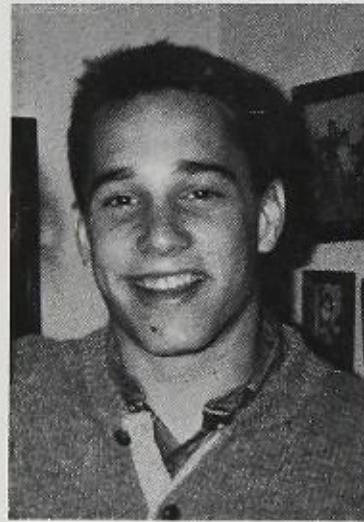

*A Friend is a listener who'll always be there
When you've got a big secret you just have to share.
A Friend is a sidekick who'll sit by your side
To make you feel better when you're troubled inside.
Friends are just perfect for all kinds of things,
Like walking . . . or talking . . . or swinging on swings.
Yes, a friend is the best one to hop, skip, or run with . . .
For playing some catch, or just having fun with.
You can sing and shout 'till your tonsils wear out,
'Cause that's what having a friend's all about.
A friend is a buddy who'll come to your aid
When he thinks you need help, or you might be afraid.
With a friend you can do what you most like to do!
You can laugh, you can cry, you can watch cars go by
You can have a great time and not even try!
A friend is a person who likes to be there . . .
'Cause you two make a wonderful pair!
And when all's said and done, the natural end is . . .
A friend is a friend . . . THAT'S what a friend is!*

JUNE 16, 1970
Father's Day

My first child was born. I'll never forget how it was. I was hoping for a boy as I went to the delivery room. There were many babies born that early morning. They were all on display for their proud parents to look upon. Their names were not yet matched to each child. I looked carefully at each baby wondering which was mine. There was one baby that was especially beautiful, I remember wishing she could be mine. Moments later, a nurse put names on each baby and that little girl that was so beautiful was mine. I was the proudest father of them all that day and almost 18 years later still proud of that girl that I love so much. May God bless you, Rhonda, in all that you do and His peace go with you.

And in the sweetness of friendship let there be laughter,
and sharing of pleasures.
For it is his to fill your need, but not your emptiness.
And let there be no purpose in friendship save the
deepening of the spirit.

GEMINI

RHONDA- You are the best friend to have-always fun to be with, understanding, and believing in me. I'm glad we shared a part of our lives together. The raining days at school were always shorter and our work-out plan was an all time winner. You definitely made me a happier person. You are an original and my best friend for life!!

AZITA - Scream! We made it! I will miss study sessions, daily calls, and laughing with you. You solved a lot of my problems, but most of all, you always showed that you cared. Thanks for being there.

MAE - We practically grew up together through writing...well, almost. We can't forget Jedo and the gang, stickers, and the sleep over days. Twelve years ago, these things were the most important part of us and today, they stand as a very special memory. Have a great senior year.

DALLAN- I think I believe it, do you? I'm glad you shared the story with me. You are still my good friend and maybe "we'll have more subjects together next period!" (how cute!)

JULIE- We were the best stand partner-Ouch on E.T. Just one thing: don't delay!

CRIS- When it comes to sheet music, computers, and cows, you are the expert. Thanks so much for your help and being such a supportive friend!

AMY- You are such a good person- a good friend, too. From gopher girls to Samo Seniors, you have been the same person all along. It's been so much fun these past six years... "lo tengo!"

ASB-

This year has been a real experience. All the big plans with so little time. But I guess everything turned out to be its best!! To the freshman officers, you guys were great!! Thanks for your help during homecoming everybody!! We made it & no more meetings!

To everyone else... we laughed, shared our thoughts, and most of all, grew up together. The laughs were filled with happiness, stupidity, and sometimes, trouble. Truth come from our hearts when we gave each other advice and opinions. It was also the base of friendship. We grew up together whether it was in grade school, junior high, or high school that we met. Thanks for your friendship. You are all unique individuals and will never be forgotten!

LOVE ALWAYS, Julie

MAMIKO-
On April 8, 1988, we saw each other for the first time. Your guidance around Tokyo is one of my most enjoyable days. And, of course the heavy snow was all part of the fun. Thank you, again, and may we continue our 5th year being penpals.

PETER: Thanks for always being there. As one of my closest friends, you have always treated me with the most respect. I just hope that I have reciprocated the friendship. I'll always remember the good times that we had in the store, at games, and just spending time together. You're the BEST.

AMANDA: The times that we had drifted apart before have been made up in the last few months. We have shown our closeness in our actions. We share so many common feelings that I feel we will NEVER lose our friendship. A special bond that links us will make sure that never happens. Always remember: I LOVE YOU

NICOLE: In the last 3 years that I have known you we have always had a great time together. Our consumption rate has grown together. Three years ago it was 6, then 12, then 15? Good luck in college. Please think of those nights that we spent bagging, crying, screaming, yawning, and getting buttered. We'll have to start our MESA dictionary for words like: buttered, hellstop/pig, halibut, mutant, and FRESH. Our friendship will always grow.

MOM: You have always supported me in all my activities, yet still kept an eye on me. I am glad that we have a bond besides just blood. We also have a friendship. My friends always say that I have the coolest mom, and I'll always agree that I DO. Thanks for putting up with all crap I gave you. I know that I had a period with all those "crazy, older Mesa boys" that almost killed you, but I love you for it. Once again, I LOVE YOU.

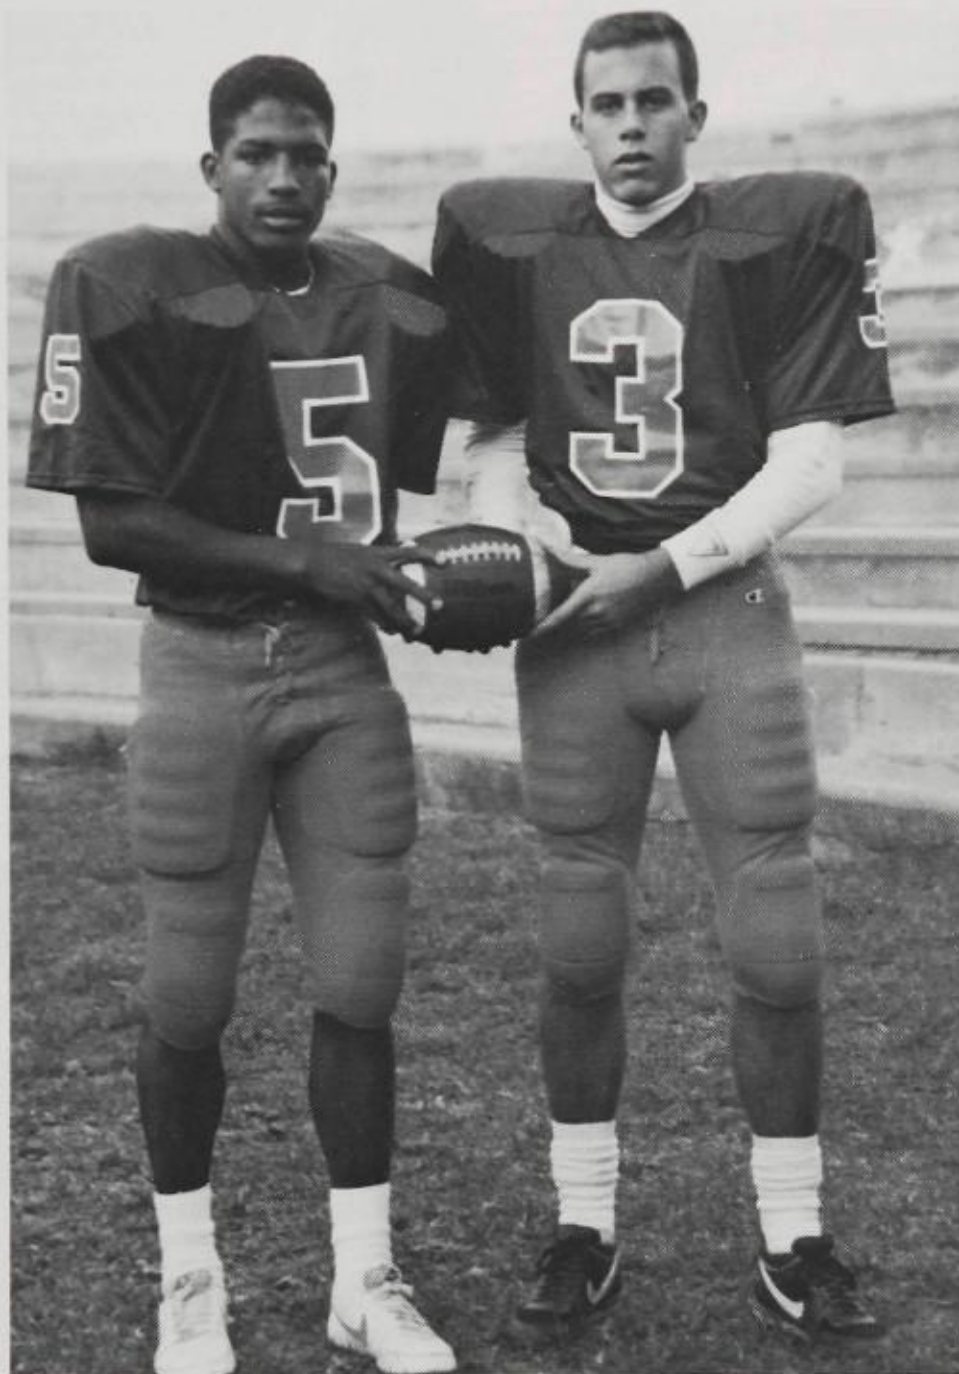

DAD: We've had our ups and downs, but please bare with me. You've always given me everything that I needed, except for sometimes support. Even though we give you crap, we still love you.

JOHN & JEFF: We have a camaraderie that rarely siblings have. Before I didn't think we would be so closely knit, but I'm glad that we are. I Love You, both.

The Energizer

I'd like to thank a few individuals who made a special effort and contributed greatly to the production of this year's book. Mr. Purucker, whose patience was tried many a time, but who never once let us down. Steve Siegrist for his beautiful cover artwork, Kevin Lin for his artistic contribution, and David Reinsch for his never-ending artistic concern for the yearbook. Special thanks to Zoran, and mostly, Ava, for making the yearbook class a fun place to be. And, of course, Mrs. Jago, whose help and unwavering confidence kept the yearbook going, and who always will be the most vital, fulfilling aspect of the Nautilus experience.
